

# Judah Bradley

Year in review

# About Me!

- I enjoy videogames
- I'm 18 years old
- I go to Three Rivers HomeLink
- Artist
- Pianist
- Like to cook, hike, and garden

I am enrolled in the Video-Game Design program here at tri-tech. I am a second year; I did this last year.

# Successes

- We made 2 games!
- Participated in Congressional App Challenge
- Lots of Art

# Challenges

- Not always good time management
- Difficulties when animating
- Art block
- Overwhelmed with schoolwork

# Personal Satisfaction

- Improved on art
- Worked on communication skills
- Got more experience working with big teams

# Post-secondary plans/Career plans

- Columbia Basin College
- Start small art business
- Working toward going into art education
- Art teaching

# Tri-Tech Advantages and Disadvantages

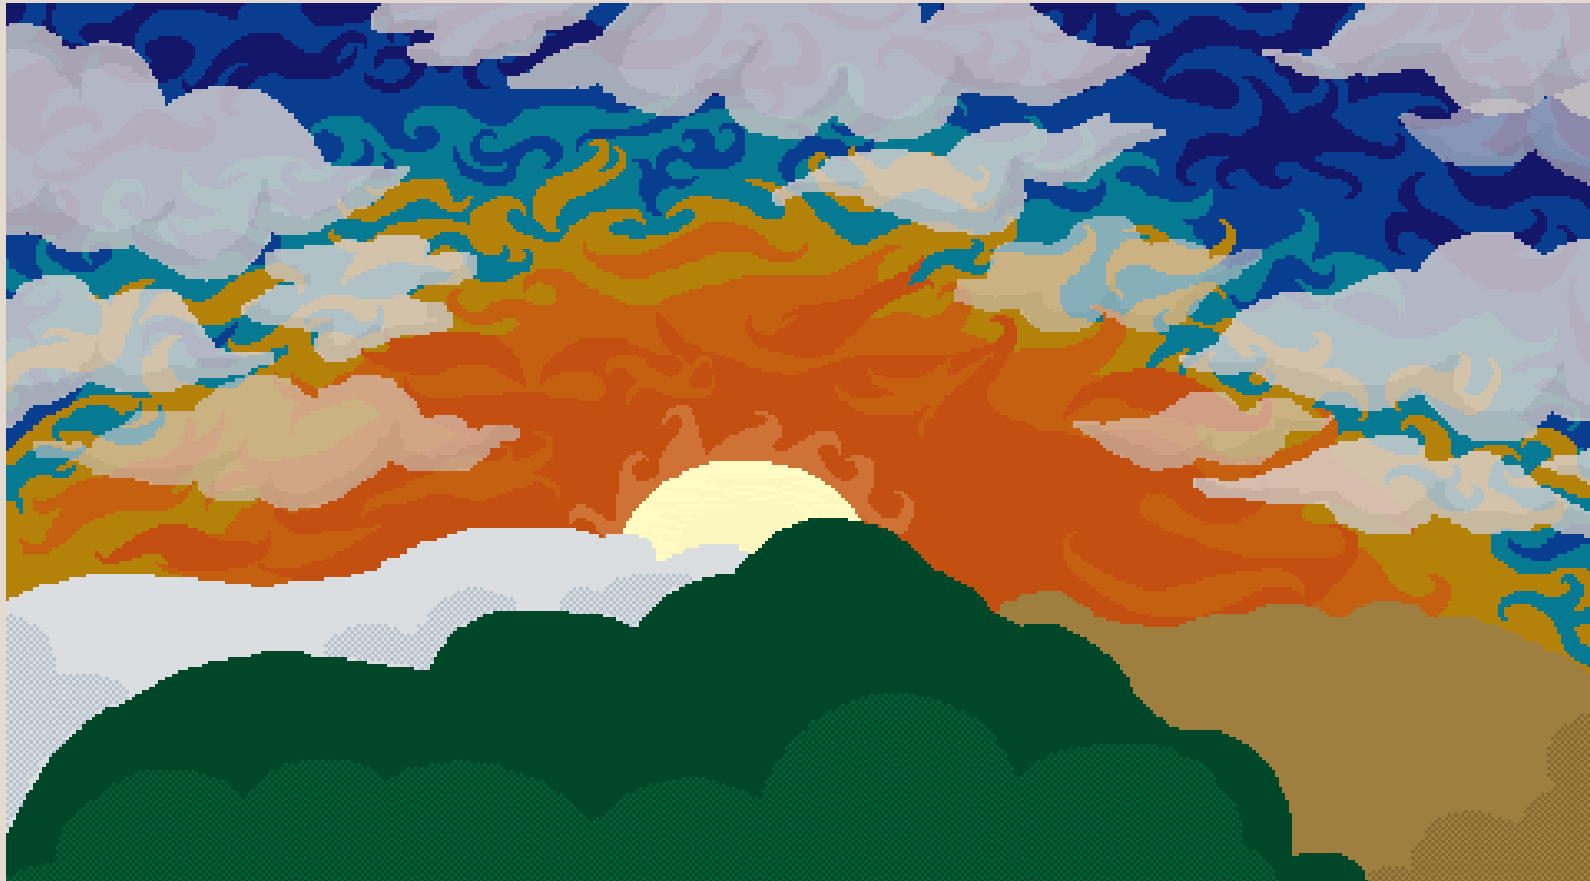

## Advantages

- Real world skills (interview etc.)
- Class replicates a work environment
- Practice working in groups and doing things together
- Peers with similar interests
- Tours

## Disadvantages

- Odd hours/schedule
- Non active/ sitting for long periods
- Tours
